**Student Concession:**

Continuing the legacy of previous EAITs in promoting participation from students, the committee has taken a decision to offer a concession of 20% (on registration fee) to student authors. Thereby, any paper for which a student registers as the mandatory author (and presenter) the registration fee would be INR 8,000/-. The student should be regular UG/PG/full-time PhD scholar at the concerned institute. Membership of bodies like IEEE/CSI/ACM is not necessary for availing the student concession. A student so registered is allowed to present only one paper at the reduced rate. Tutorial rates remain unaffected.

**Concession for authors having multiple papers:**

The committee has decided to give 40% rebate (on registration fee) on the second paper onwards for non-student authors with multiple accepted submissions. Tutorial rates remain unaffected.
